

TENT-IT

Marquee options

Marquee Overview

The flooring is the most important part of any marquee. Just like in a building, the flooring cannot slope or be uneven. All furniture, glasses and guests are affected by a level surface or a lack of. At TENT-IT we have the flooring for most sites and budgets.

Options Guide

- Marquee Lining
- Heating
- Clear / Window Panels
- Power / Distribution
- Trackway
- Doors
- Furniture
- PA system
- Dance floor

Lining with clear gable end

Fully lined marquee

Interior Lining

Marquee Lining is a must have for any formal event, making the largest difference in transforming a bare tent into a warm, inviting space.

Features

- Covers white PVC & framework
- Keeps the marquee at a warmer temperature

Oil fired heater

Electric space heater

Heating

Our range of oil fired and electric heaters are the best heating solution for marquees, tents and all temporary structures. Paired with ducting and diffusers to improve comfort and distribution of heat.

Clear windows

Glass Door

Clear windows & Glass Doors

Clear windows are great for making the most of a venue, surrounding view or letting customers see in.

Glass doors are highly recommended for almost all marquee events, lowering drafts and giving you the ability to close the marquee.

- Keeps in heat
- Ability to close marquee

Fully Clear marquee

Partial clear marquee

Clear canopies

A clear marquee is a popular choice for a reason. Inviting in the natural light at any spot throughout the canopy.

You can have a fully clear canopy however its best to have only a few clear sections as it can get too warm in the summer months.

Festoon Lighting

Mood lighting Uplighter

Lighting

We stock a few options to light the inside of the marquee, popular is festoon lighting. Festoon lights give off a warm inviting glow.
